Repair Price Catalog

Effective date: January 12, 2026 (prices subject to change)

Important Service Policies

Bench / Diagnostic Fees: Amplifiers: \$35 bench fee. Other instruments & services (including pedals): \$25 bench fee. If you proceed with the repair, the bench fee applies toward labor. If you decline, it is treated as a diagnostic fee.

Pickup / Delivery: Pickup and delivery is available: \$15 each way (\$30 round trip).

Discounts: Self drop-off / self pickup discounts apply to labor only. Parts are never discounted.

Parts & Materials: Parts are billed separately. Customer-supplied parts are OK, but any extra time due to poor fit or missing hardware may be billed.

Estimates: Some services are fixed price; others are quoted after evaluation. Complex jobs are billed by bench fee + time.
